2021 Helsinki Information Law Moot Court

Participation at the Helsinki Information Law Moot court provides students with a practical experience in the resolution of contemporary legal problems connected to the widespread use of technology in our daily lives. Students will also develop their oral and writing skills, increasing their ability for problem-solving and legal analysis. This year’s problem can be found [here](#).

The competition involves two phases: a written and an oral round. The oral round will take place in Helsinki, although this year this might be subject to change due to the pandemic restrictions.

Registration opens October 1, and we are looking for a team to represent the University of Tartu.

Teams should contain 2–4 active members; teams can be larger to allow for backup members etc., but should not contain more than 8 members in total. The Law School can provide 3 ECTS for the participation, but unfortunately not support the financing of the participation.

Team meetings will take place in Tallinn or Tartu, depending on the location of the team members, and, if necessary, online.

2020 HILMC University of Tartu Team: Liva Rudzite, Javier Vergara, Anastasiia Litvinenko and Mubariz Aliyev.

Supervisor and coach: Associate Professor Marta Cantero Gamito.

Application:

All law students are invited to apply. Please send your CV and a motivation letter (max 3500 characters with spaces) to anette.aav@ut.ee and marta.cantero.gamito@ut.ee the latest by September 26 (incl.). Previous experience in moot courts is desired but not essential. Team will be compiled on September 30.

If you have any questions, please e-mail to anette.aav@ut.ee or marta.cantero.gamito@ut.ee.
